

A-A Protest Ride, Map #: 152

START/FINISH: Church St. Parking Lot N of Rte. 39 Downtown Arcade

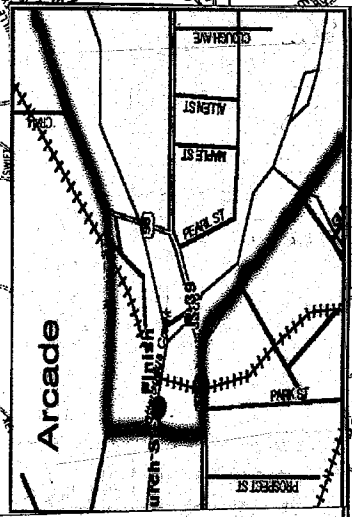

This is a scenic ride, through three counties, from Arcade to Angelica. The name comes from the signs along the route protesting bad windows and Mario Cuomo. The loop around the town square in Angelica is mandatory. The welded sculpture on North Hill gives you something to look forward to. Food and drinks are available in Centerville, Oramel, Angelica, Fillmore and Hume.
